Hi, my name is Nabeel. I am ready to use my skills for you. I will transcribe an audio or video file to text. I work in Spanish, German, UK, Arabic, Punjabi, Urdu, polish and in English, but you will have to pay a little extra for transcribing from English. I transcribe it manually, without using any programs. I am a native Russian speaker and fluent in English. I will remove the crutch words if desired. I am always in touch.
